1. Show Introduction

- **Top 10 in points** are introduced.
- **One local rider** is picked each night and introduced first, from the starting line.

Where to line up:

- **Top 4 in points:** at or on the starting gate. You may take the track once introduced.
- **5th–10th in points:** on the landing of the catapult. Raise your hand when you hear your name, and all face the same way (track direction).

2. Timed Qualifying / Practice

Sight lap: All riders pace one lap with wheels on the ground. Timed practice starts when the **green flag** waves.

Length: 9 laps, 2 rounds.

Groups:

- 2 to 4 groups of 10–15 riders.
- Top 10 in points go out in the first group.
- Remaining groups set themselves.

Rules:

- **Don't cut the track.** Penalty can be up to last gate pick for the first Moto.
- Your **best lap from either session** is your qualifying time.
- **Transponders are required.**
  - It's on you to have the staging official check your transponder before you go on track.
  - Enter the track with a transponder that isn't working = **last gate pick**.
  - A transponder malfunction does **not** get you extra qualifying time.

3. Divisions

9 laps. Gate picks come from qualifying times. Max of 3 Divisions.

Riders	Divisions	How it's set
24 or fewer	2 equal Divisions	Gate order alternates Div 1 / Div 2 by qualifying time. Everyone gets a fresh gate.
25–36	3 equal Divisions	Gate order alternates Div 1 / Div 2 / Div 3 by qualifying time. Everyone gets a fresh gate.
37–54	3 Divisions	Qualifiers 37th and slower alternate between Div 1, 2 and 3 on the back row. Max 16 per Division (48 riders) up to max 18 per Division (54 riders).

Transfers:

Riders	To Moto 1	Everyone else
24 or fewer	Top 5 from each Division	LCQ
25 or more	Top 4 from each of the 3 Divisions	LCQ

Hard Charger Award: $150 per Division (up to $450 a night). Goes to the rider who gains the most positions from lap 1 to the final lap.

After the race: Division winner goes to the front of the starting gate for an interview. **Face the crowd, not the gate.**

4. LCQs (Last Chance Qualifiers)

5 laps. Max of 2 LCQs.

Divisions raced	LCQs	To Moto 1	Moto 1 total	Everyone else
2	1	Top 4	14 riders	B Main
3	2	Top 2 from each	16 riders	B Main

After the race: LCQ winner(s) go to the front of the starting gate for a picture. **Face the crowd, not the gate.**

5. Moto 1

- **14 laps.**
- **Gate picks:** based on finishing positions from the Divisions.
- **Top 3** to the front of the starting gate for a picture.
- **Winner** to the front of the starting gate for an interview.
- **Face the crowd, not the gate.**

6. Moto 2

- **14 laps.**
- **Gate picks:** based on finishing positions from Moto 1.
- **Top 3** to the front of the starting gate for a picture.

- **Winner** to the front of the starting gate for an interview.
- **Face the crowd, not the gate.**

Olympic Scoring (Overall)

- Moto 1 finish + Moto 2 finish = your **tally**.
- **Lowest tally wins** the overall.
- **Ties** go to the rider with the better Moto 2 finish.

Championship Points

- Paid from **AMA points scale "B"**, based on **overall** finish.
- Points are **not** kept under the points tab online. They're tracked in a spreadsheet because of:
  - Head-to-Head bonus point
  - Rolling points to the B Main
  - Participation point
- The points spreadsheet is posted online for review.

7. B Main

- One or two B Mains, depending on rider count.
- **5 laps.**
- **Top 3** come to the podium for a picture.

B Main points (descending from the Mains):

- The Mains pay the first 14 point values on the AMA scale (starting at 25 points).
- **B Main winner** gets the point value for 15th, **2nd place** gets 16th, and so on until all point values are used.
- **All remaining riders get 1 point.**
- A rider in a Main who doesn't complete half the leader's laps and take a checkered flag gets **1 point**.

8. Head-to-Head Duels

- **Each heat winner** competes.

- Duel winner gets **1 championship point**.
- Duels start **right out of intermission**:
  - Intermission is **15 minutes**.
  - At the **10-minute mark**, head to the starting line.
- **Green-white-checkered** format.
- **Roll in.** No gate prep allowed.
